Now, with Glory for Girls, girls of all ages can have skincare that's fresh and fun without sacrifice.

Glory for Girls is a newly developed skincare line that specializes in creating products for girls that are "naturally" cool with healthy skincare options that can be used in their daily routines. Glory for Girls is 100% natural and does not contain the harmful ingredients present in everyday products that may be linked to cancer, hormone disruption, and other health risks.

Glory for Girls defines a new category of personal care products that feature all the benefits of natural ingredients with the same appeal of the top beauty brands.

Scientifically formulated, clinically and allergy tested, Glory for Girls features ingredients rich in antioxidants such as chamomile, açai fruit extract, green tea and pomegranate. The line includes face and body washes, lotions, sunscreens, lip balms, deodorant, clarifying products, and party kits.

The packaging is recyclable, the formulas are bio-degradable, and all are made in the USA.
